

# Is someone you know a victim of doorstep crime?

East Sussex  
County Council

Dishonest and rogue traders can target anyone.

Has someone mentioned that:

They have had someone call at their home and offer to carry out work?

They are concerned about the standard and are receiving demands for payment or have paid for the work upfront?

They are being asked for more money than was originally agreed?

If so, please encourage them to contact the **Citizens Advice Consumer Service** on **0808 223 1133** where they can report incidents and obtain support and advice.

Incidents can also be reported via our website: -
